#### 野日日年1月.

THE NEW YEAR.

Whelm'd in its surges, disappear Msn's hopes and tears forever gon

The hour demands another strainemands high thoughts that cannot qu And strength to conquer and retain.

The stars-which now look down on Have seen ten thousand centuries fly And given to countless changes birth.

Shine on, shine on! with you I tread The march of ages, orbs of light! A last eclipse o'er you may spread,

O what concerns it him whose way

hies upward to the immortal dead, That a few hairs are turning gray, Or one more year of life is fled ! Swift years! but teach me how to bea

And speed your courses as ye will. When life's meridian toils are done, How calm, how rich the twilight glow The morning twilight of a sun,

To feel and act with strength and shill

To reason wisely, nobly dare;

Which shines not here on things below But sorrow, sickness, death the pain To leave, or lose wife, children, friends! What, then, shall we not meet again,

Where parting comes not-sorrow end The fondness of a parent's care,

The smile of childhood it is there. That all we love in them still lives. Press onward through each varying hour

Let no weak fears thy course delay; Immortal being! feel thy power; Pursue thy bright and endless way.

## Storu.

THE DISINHERITED DAUGHTER.

"I will never see her nor her children-never, so long as I live! When Simeon Taylor speke these Words in his tone, his meek daugh ter-in-law knew that all remonstrance was in vair. And she went back to her husband in his own and throbbing heart, was ushered sic out of him.

A worse, he has forbidden us to see, or help her, at the peril of his bit-

a sickly invalid, and he knew well that his stern old father's disfavor my little brother cannot starve signified ruin to himself and starva. "What is your name?" Hubs, Spokes, Fellocs, Shafts, Bows, tion to his three children. Not at "Grace Barton." such a cost as that, did he dare to plead his sister's cause!

"Poor Gracie!" he echoed, softly all." "Poor Gracie!" he ecooca, soil, remembering a vision of a golden-haired, light-footed little creature, with a rosy mouth displing all over with stern arrogance—all contending light in Grace's blue eyes. But the blue close around. "Now I'll inveigle him;" and he gave the regular dark Could be but have seen Grace Bar-eyes won.

"Grace,', he said rising, "will

ton at that moment as she actually was, his kind heart would have ach- you kiss your old grandfather!" d with a yet sharper pain. The "My grandfather does not love us" ed with a yet sharper pain. The blinding January sunshine streamed in through the curtainless windows of the dismal attic room in which she lay, that sick widow, with her ced a little closer, and Ulark pronounc- countrymen, was not willing that raged tragedal, and consequently fairly shook with laughter.

"My grandfather does not love us said Grace, innocently.

"He does love you—he will love to anything pertaining to his property, fairly shook with laughter.

"Why, yer gal ain't dead, I tell his county or his State should loose in the want of an important name. He to make Julies at the marry that way it was they wanted to make Julies at Park whose Institute of the impending prohibition, at the want of an important name. He to make Julies at Park whose Institute of the impending prohibition, at the want of an important name. He to make Julies at Park whose Institute of the impending prohibition, at the want of an important name. He to make Julies at Park whose Institute of the impending prohibition, at the want of an important name. He to make Julies at Park whose Institute of the impending prohibition, at the want of an important name. The pronounc- countrymen, was not willing that raged tragedals, and consequently fairly shook with laughter.

"Why, yer gal ain't dead, I tell hundreds of the young people, who never would have thought of it be more."

"You took the last of it this orning mamma." Grace sighed, but said no more. gress, by the Secretary of State,

"Mamma, I'm hungry!" burst twenty-one States are given as haver the little boy on the floor. I won't be still! I had ment. In these pretended ratificanothing but a half slice of bread for tions it is admitted that Missour my breakfast, and I'm so hungry! and Kansas "are defective," This "Merciful heaven!" groaned poor "defective" adoption arcse in this Grace Barton, "what is to become of manner: The Legislature, being in ??' session at the time the amendment "Mother," said little Grace, earn-was forced through Gongress, rati-

oney. Does your head ache too did not contain the section which ard to listen to me? hard to listen to me? "No darling—go on!"

"Well, you know Mrs. Ryan article; so therefore, these ratificathat makes coats down stairs, she tions are null and void.

This is all right; but we desire to

and the rose lips were white and pinched.—Grace Barton's oldest friend would scarcely have known her now.

"I will love them with better love than I vouchsafed to my own," groaned the old man. "Oh, Gracel have medicine, dear," she said, in a husky voice, to her daughter.

"It is all gone, mamma."

"Then a little of the wine and the rose lips were white and pinched.—Grace Barton's oldest friend would scarcely have known her than I vouchsafed to my own," groaned the old man. "Oh, Gracel have you been restored to me only to be some vacant hour. Occupation is the armor of the soul. There is a satirical poem in which the devil is represented as fishing for men, and fitting his bait to the taste and business."

"Then a little of the wine and the boolgack came down of the was in the receasing not the ledd cousins. Wal, her spunk captain. Our cargo is fruit and furthe appears in the rececta, and the boolgack came down of the was up, and she took the stuff the war up, and she took the stuff the mouth and a market." "What war up, and she took the stuff the rith war up, and she took the stuff the war up, and she took the stuff the rith war up, and she took the stuff the war up, and she took the stuff the timere completely under his shirt.

The ruin of some men dates from some vacant hour. Occupation is the armor of the soul. There is a satirical poem in which the devil is represented as fishing for men, and the boolgack came down of or planting.

The ruin of some men dates from some vacant hour. Occupation is the some transfer." "What war up, and she took the stuff the war up, and she took the stuff the war up, and she took the stuff the soun transfer." "What war up, and she took the stuff the war up, and she took the stuff the war up, and she took the stuff the soun transfer." "Th
